2025 NEOSWA FALL TOUR

Top Road Firewise Community

Join us for the Northeast Oregon Small Woodlands Association (NEOSWA) Fall Tour, hosted by the Top Road Firewise Communities. Learn first hand the critical role that being Firewise Communities played during the 2024 wildfire season and the resources available to help communities be more resilient in the face of wildfire.

TOUR ATTENDEES WILL GET TO:

- **Hear from local emergency personnel and community members about home hardening efforts and the effect on wildfire behavior**
- **See how different treatments affect fire behavior**
- **Learn how different treatments are processed and resources available to help carry them out**
- **See a demonstration of a mobile dimension sawmill**

Attendance is free but registration is required. Morning refreshments and lunch will be provided. Tour will be held outdoors, rain or shine, and will require moderate walking/hiking; please dress accordingly.
