SMOKE

Air Quality from La Grande to Baker City is better than it was 24 hours ago, and it should keep improving today because nearby fires are producing less smoke. From La Grande to Baker City, Air Quality is generally expected to be UNHEALTHY FOR SENSITIVE GROUPS today. At times this afternoon, it may improve to MODERATE. In some places, it may also reach UNHEALTHY, especially around Baker City this evening and tonight. Around Enterprise, Air Quality was MODERATE yesterday and is expected to be generally MODERATE again today. At times, GOOD Air Quality is possible. In John Day, the Sumpter Valley, and the Phillips Lake area, Air Quality is expected to be mostly UNHEALTHY FOR SENSITIVE GROUPS. It will likely improve to MODERATE for a few hours this afternoon, then worsen back to UNHEALTHY FOR SENSITIVE GROUPS tonight. If possible, keep windows closed at night to help keep smoke out of your home. You can also contact your local health department to ask about getting or buying N95 masks.
