

SMOKE OUTLOOK

NE Oregon – Tartar and Big Grass

8/06 - 8/07

ARA: Mikayla Steele (steele.mikayla@epa.gov)

Issued: 08:23 PDT 8/06/26

Interagency Wildland Fire Air Quality Response Program

AIR QUALITY ADVISORY: AIR QUALITY ADVISORIES IN EFFECT ([more info](#))

HEAT ADVISORY: HEAT ADVISORY UNTIL 10PM SATURDAY ([more info](#))

Baker City Expect continuing smoke, with UNHEALTHY FOR SENSITIVE conditions continuing.

McCall Expect conditions UNHEALTHY FOR SENSITIVE GROUPS.

Weiser Expect VERY UNHEALTHY Air Quality, incoming smoke from multiple fires

Ontario Expect continuing smoke today, with potential for periods of UNHEALTHY FOR SENSITIVE GROUPS in the evening.

Nampa Smoke will increase in the evening for brief period of time, as winds carry smoke over from the west.

Boise MODERATE to UNHEALTHY FOR SENSITIVE GROUPS Air Quality expected.

FIRE

Numerous fires in NE Oregon have the potential to send smoke into the outlook area. Associated fire activity is expected to remain active.

SMOKE

Air Quality in Northeast Oregon and Western Idaho is being influenced from fires in Central and NW Oregon today, tomorrow, and into the weekend. The heaviest smoke impacts are in **Weiser**, where west winds have brought in heavy smoke. Expect VERY UNHEALTHY to UNHEALTHY Air Quality Thursday into Friday. **Baker City** and **McCall** can expect UNHEALTHY to UNHEALTHY FOR SENSITIVE GROUPS conditions throughout the day and into tomorrow. In **Ontario**, **Nampa** and **Boise**, MODERATE conditions are expected along the Boise River with periods of UNHEALTHY FOR SENSITIVE GROUPS. More smoke is possible into the weekend from new fire starts and flare-ups. Communities downwind of active fires may see heavier smoke settle into low-lying areas overnight and in the early morning.

SPECIAL STATEMENT

Reducing exposure to smoke is important for everyone's health, especially for people at greater risk of health effects, including children, older adults, people with heart or lung disease, and outdoor workers. Learn how to reduce your exposure to smoke [here](#), and how to make a clean space in your home [here](#).

HEALTH STATEMENT

Smoke can be harmful to your health. Check with your doctor if there are any health concerns and monitor your local air quality conditions using the Fire and Smoke Map.

AIR QUALITY INDEX (AQI)

	Hazardous (H)	Everyone should avoid any outdoor activity
	Very Unhealthy (VU)	Everyone should avoid all physical outdoor activity
	Unhealthy (U)	People within Sensitive Groups should avoid all physical activity
	Unhealthy for Sensitive Groups (USG)	People within Sensitive Groups should reduce prolonged or heavy exertion
	Moderate (M)	Unusually sensitive individuals should consider limiting prolonged or heavy exertion
	Good (G)	None
