

REQUEST FOR PROPOSALS

HVAC System Installation — Regional Food Bank Facility

Community Connection of Northeast Oregon, Inc. (CCNO), a non-profit organization, is seeking proposals from qualified, licensed HVAC contractors for the installation of a new heating and cooling system at its 8,600 square foot Regional Food Bank facility.

The selected system must be capable of maintaining consistent warehouse temperatures between 50°F and 70°F year-round.

Proposal Deadline: Friday, October 16, 2026

Questions:

Kale Elmer, WX Rehab Manager

Phone: [541-963-3186](tel:541-963-3186)

Interested contractors are invited to submit proposals in accordance with the specifications above by the deadline listed.
